

Calling all graduating IBU.ARC students!

---

## Calling all graduating IBU.ARC students!

*A great opportunity to participate in the International Student awards Tamayouz Award for Architecture is open to all 3rd year graduating students from IBU.ARC. We have been invited to participate. Students graduating this year can submit either of their final year projects; Senior Design Project or Schools.*

Please use the link below for all details and prizes.

Prizes include: **An MSc Scholarship for 2 Years at the Polytechnic University of Milan, 2 scholarships for the Stadslab (European Urban Design Laboratory) master classes, Medals for 7 Honorable Mentions.**

For all second year students- you should be aiming for this prize (and others) with your projects next year- so take inspiration!
